INTERNET CONTRACT

When engaging in any online interactions on any device, be it viewing, downloading, updating,sharing or forwards, I _____ wil always abide by these rules:

I will not befirend people with whom I have not met in real life unless I have permission from my parents/ caregivers
I will not bully, slander or say anything unkind toward anyone for any reason and nor will I copy or forward on any such messages written by anyone else

I will not give away any personal information such as my birthday, address, school or phone number without my parent / caregiver's consent
I wil not use a credit card fo any purpose without my parent / caregiver's

I will not give out any of my passwords to anyone other than my parent / caregivers, not even my good friends
I will not download music, games or software without my parent / caregiver's consent

I will stop communications immediately and tell my parent / caregivers if a conversation gets rude, uncomfortable or theatening in any way
I will never use innapropriate language online

When interacting with others online, I am aware that : People are not always who they say they are, people do not always tell the truth and there is no such thing as privacy online
I will never order anything online without my parent / caregiver's consent

I will have open and honest conversations with my parent / caregivers about which sites I am using andwho I am talking to online
Whenever using the internet I will THINK before I do anything:
T- is it true? / H- is it helpful? / I- is it inspiring? / N- is it necessary? / K- is it kind?

If I do not abide by these rules at all times then my parents/ caregivers will ban me from using technology for a time deemed appropriate by them
